

Final Project Proposal Form

Create a pdf (submitted through Schoology) with brief answers to the following questions.

1. Name(s) and period.
2. State the project type: Traditional, Peer Review, Other.
3. Explain your topic including why you chose it
4. Describe the data you plan to use for your inference test (may not apply to "Other")
5. Tell what type of inference test(s) you will use
